

About Lions Clubs

A CENTURY OF SERVICE

1927–2027

For nearly 100 years, the Lexington Lions Club has served our community with one simple purpose: We Serve.

Since 1927, our members have worked alongside local businesses, residents and community partners to make Lexington a better place to live. Proceeds from our annual golf tournament, pancake breakfast, broom sales and other projects help support important community needs and Lions causes.

Protecting Sight

Vision has long been at the heart of Lions service. Our club supports eyeglasses and eye exams for those in need, children's vision screenings, eyeglass and hearing aid recycling, vision-related treatment and surgery, guide dog programs, and the South Carolina School for the Deaf and the Blind.

Serving Beyond Sight

Our service also supports broader Lions causes, including diabetes, hunger, youth, childhood cancer, disaster relief, humanitarian needs and the environment.

As part of Lions International, we join approximately 1.4 million Lions in more than 200 countries and geographic areas working to make a difference—one community at a time.

THANK YOU, LEXINGTON!

For a century, the generosity of our local businesses and residents has made our service possible. Every fundraiser, sponsorship and donation helps us continue serving our neighbors.

Thank you for helping the Lexington Lions Club serve our community for 100 years—and for generations to come.

We Serve!
