

About Lions Clubs

In 2018, Lions Clubs around the world celebrated over 100 years of global service. The Lexington Lions Club has over 95 years of service in our community! Lions Clubs have a common vision of "We Serve" and know that our community is what we make it.

The Lexington Lions Club leverages **all** proceeds from annual projects like our golf tournament, pancake supper and broom sales to provide funds for many community causes. Sight conservation efforts guide much of what Lions Clubs do:

- ☑ Eyeglass and eye examination assistance for those in need, early screenings for young children. Special vision equipment for the South Carolina School for the Deaf and Blind. Eyeglass collections and hearing aid recycling. We support state-wide efforts to help fund vision surgery expenses and provide funds to organizations that help with guide dogs.
- ☑ Promote education and awareness efforts globally for immunization and research that focus on diseases that can result in blindness, like diabetes.
- ☑ Disaster assistance when tragedies like the 2015 South Carolina flooding and other tragedies occur around the world.

We appreciate the support of the businesses and residents of Lexington that help enable our club to continue to serve out Community. Thank you Lexington!
